HOW TO SEARCH

Just after
MEMEBR'S
LOGIN we see a
search bar where
we can write the
book/topic/subject
which we want to
search

The screenshot shows the N-LIST website interface. At the top, the browser address bar displays 'N-LIST: National Library ... Lite | nlist.inflibnet.ac.in'. The website header includes the INFLIBNET logo, the 'N-LIST' title, and the tagline 'National Library and Information Services Infrastructure for Scholarly Content', along with a note 'extending access to e-Resources to colleges in India'. The main content area is titled 'REGISTERED MEMBER'S LOGIN'. A prominent orange warning box states: 'Important for the colleges under firewall, the port nos 2048-3251 required to be open for login. Please ask your Network Admin/ISPs.' Below this, there is a link for 'Login Help Manual' with a PDF icon. A 'LOGIN' button with a right-pointing arrow is positioned below the warning. At the bottom of the page, there are two contact sections: one for payment-related queries with the email 'paymentinfo[at]inflibnet.ac.in' and another for access-related issues with the email 'college[at]inflibnet.ac.in'. A search bar with the placeholder text 'Search e-books and e-journals' and a magnifying glass icon is located between these two sections. A red arrow points from the word 'search' in the text on the left to the search bar. A blue circular button with an upward-pointing arrow is located in the bottom right corner.

A purple rectangular tag with a hole on the left side is placed on a sandy surface. A light-colored string is looped around the hole. The tag has the words "Thank you!" written in a black, cursive script. Three white daisies with yellow centers are scattered around the tag: one in the foreground to the right, and two in the background, one slightly to the left and one to the right.

Thank
you!
