

# ORIENTATION CLASS

---

The Library has conducted Orientation Class for the first year students of the college where Mrs. Reeta Sharma (librarian) visited each class and told the importance of Library. The main motive behind organizing this visit is to tell students about:

- Advantages of library
- Importance of reading
- Library resources
- Library rules and regulations
- Different library activities

# BOOK EXHIBITION

---

The college staff and library show their interest in books and reference of their own subject itself in the library. In order to explore their knowledge and interest the library has organised Book Exhibition where different types of:

- Rare Books
- Biographies
- Poetries
- General books etc

are displayed in the library premises. The students and faculties participated in the exhibition with great interest.

# TRAINING OUTREACH ACTIVITIES

---

The college library has conducted 90days full time training to the M.Lib. & I.Sc. students under the guidance of principal Dr. Sushil Chandra Tiwari. In this training programme the coach Mrs. Reeta Sharma focused on:

- Library administration
- Acquisition
- Cataloguing
- Cicalation
- Serials Control
- Stock Verification
- Maintain each and every records.
- Other library services like reference service, information and notice display, organizing information literacy programmes etc.

- All the trainee also work on project during the training period on different topics.
- Trainees also visited B.I.T. college, durg as a part of one day educational excursion. The students visited college library and explore their knowledge on library service and management.

College also issued training certificates to all the trainees on the basis of which many students got job on different schools and college library.

# INFORMATION LITERACY PROGRAMMES

---

The college library has organised various literacy programmes for the college students in order to upgrade their knowledge and information on different occasions. So that the faculties and students take more advantage of learning and library resources as per their convenience. Some of the programmes are:

- **BOOK TALK:** Watching students and staff the interest on particular subject books Mrs Reeta Sharma (Librarian) gives book talk on:
  - Advantages of reading different types of book.
  - About the various books available in the library apart from the course reference books.
  
- **E-Learning:** E-Learning workshop and surveys has been conducted in college for the demo of E-Books & E-Journals for the faculties, research scholar, UG & PG students.

# LIBRARY ADVISORY COMMITTEE

---

The college has Library Advisory Committee wherein the committee consist of:

- **CONVENER:** 1) Dr. Arti Mishra  
2) Dr. Babita Dubey
- **MEMBERS:** 1) Nisreen Hussain  
2) Dr. N. L. Prasunna  
3) Dr. Sadhna Parekh

The committee plays vital role in advancement of the following library activities:

- **Library Advisory Committee acts as a mediator between library and students:** Since the faculties has direct contact with the readers (staff and students) the committee members interact with the students and tell them about the uses of:
  - Library books and journals
  - E-Books & E-Journals
- **REQUIREMENT OF BOOKS:** The Library Advisory Committee also fulfill the book requirement at the time of purchasing of book.
- **STOCK VERIFICATION:** Committee plays important role during the time of verification and take major decision for the write off and binding of damaged books.
