

REPORT ON ANNUAL GENDER EQUITY & SENSITIZATION ACTION PLAN IN COLLEGE

Gender Equity & Sensitization

Our institution is a Girls' College. The institution aims to groom girl students to be self-reliant, specialists in their chosen discipline, continuous learners, effective communicators, respectful of different cultures, socially responsible, aware of their social and civic responsibilities, sensitive to gender issues with zero tolerance towards sexual harassment, women safety and security, and environmental consciousness. One of the objectives of our College is to promote education with special emphasis on gender sensitivity. College makes efforts to maintain gender balance among the faculty members. Most of the departments in the College are headed by Women. Female teaching staff are more in number than male counterparts. Similarly, the number of women in the housekeeping is also high. The College regularly organizes various events like interactive talks and lectures on sensitive and critical gender issues like social malpractices, equality of genders, women safety & health, women entrepreneurship, self-defense etc. Every year Women's Day is celebrated in the College and inspiring women personalities are invited to share their life experiences. A complaint box has been installed in the College premises and formal bodies like *Women Harassment Redressal Committee, Student's Grievance Cell and Anti-Ragging & Disciplinary Committee* are in place to ensure grievance redressal of girl students and female staff. Our on-site counseling system provides support to the girl students and enables them to understand and resolve their academic and personal problems.

a) Safety and Security:

Our College Campus is a safe place surrounded by Residential societies, Government Offices and a Kendriya Vidyalaya hence there is a continuous movement of people which discourages any anti-social element to disrupt the safety, security and serenity of the College campus. The College campus is guarded 24x7 by security guards and support staff. The College has installed closed circuit (CCTV) cameras to monitor the security, safety & movement of the girl students. Self-defense workshops like Judo Karate training and Disaster Management training are imparted to girl students inside the College campus. Fire extinguishers are placed strategically at appropriate points to douse any fire mishaps. The Principal chamber's land-line phone and mobile phone have the contact number of the nearest police station on speed-dial for emergency situations. The College has implemented stringent anti-ragging and anti-sexual harassment policies and sees to it that these policies are strictly followed. The anti-ragging and anti-sexual harassment policies are clearly mentioned and stated on page numbers 7 & 8 under section 5, sub-sections 5.1, 5.2, 5.3, 5.4, 5.4.1, 5.4.2 and section 6, respectively of the "*Handbook of Code of Conduct for Students, Teachers, Principal & Non-Teaching Staff*".
