To,
Dr. Garima Gupta,
Scientist-`E`,
DBT
New Delhi-110003
Email: garima.g@nic.in

Subject: Submission of checklist documents for implementation of Star College Scheme.

Respected Madam,

Please find attached herewith the pdf file of Filled Check List Proforma for Financial Concurrence along with the requisite 2f-12B documents, Certificate and Undertakings from Principal for implementation of Star College Scheme in our College for your kind perusal. The hard copy of the same shall be sent via speed post to you as soon as possible. We hope this along with the previously submitted documents would suffice the requirements for release of first year grant.

Many Thanks and Best Regards

Principal

Govt. Dr. W.W. Patankar Girls PG College, Durg, Chhattisgarh

Dear Dr. Husain,

This is in reference to the trailing mail regarding submission of Checklist for Star College Scheme; this is to inform you that the Government has emphasized the need for improved financial management in implementation of Central government Schemes so as to facilitate Just-in-time releases and monitor the usage of funds including information on its ultimate utilization. In order to abide by the directions to implement Just-in-Time releases and monitor the end usage of funds, an action plan for universal roll-out of PFMS for Central Government schemes has been approved which inter alia includes mandatory registration of all Implementing Agencies on PFMS and mandatory use of Expenditure Advance and Transfer (EAT) module of PFMS. Therefore, you are requested to implement this and send an undertaking to this effect (kindly refer the attached ppt.).

You have submitted quotations for equipment costing more than Rs. 1.00 lakh except one equipment i.e. **Polarography – Nanco- Rs. 3,00,000/-** under **Department of Chemistry**. Therefore, you are requested provide quotation for the same.

You are kindly requested to provide complete details at the earliest for further processing.

Best wishes,

Dr. Garima Gupta

Respected Madam,

Please find the 'Undertaking by the Principal' with regards the compliance with PFMS rules and regulations attached herewith for your kind perusal.

The quotation for Polarography - Nanco is not available on GeM portal. We tried our best to get the quotation for the same from other vending portal like IndiaMart and also from vendors from Mumbai, Bangalore etc but we were informed that the equipment - Polarographic Analyser - DME Polarographic Voltammetry has to be imported and hence the cost of the equipment would be too high. Because of this reason, we are unable to provide the quotation for Polarographic Analyser - DME Polarographic Voltammetry.

We regret the inconvenience caused due to the unavailability of the quotation for this particular equipment.

Thanks and with best regards.

Dear Dr. Husain,

Reference to the trailing mail, regarding the procurement of one equipment **Polarography – Nanco** under Chemistry department costing Rs. 3,00,000/-, as informed by you that the cost of the equipment will go above Rs. 3.00 lakhs, if purchased from other vendors, it is reiterated that the purchase of equipment costing more than Rs. 3.00 lakhs is not allowed under the Guidelines of Star College Scheme.

As per the mandate of Star College Scheme purchase of multiple copies of small equipment is encouraged to Strengthen the Under Graduate Science courses. You are thereby requested to purchase multiple equipment of low end in lieu of the equipment costing more than Rs. 3.00 lakhs.

This is for your kind information and necessary compliance.

Best wishes,

Dr. Garima Gupta
